Dear esteemed members of the City Council,

My name is Abeer Anaab, and I reside in Ward 4. I am writing concerning paper number 432–25 on tonight's agenda to express my firm opposition to bypassing the established procedure for filling the vacant seat on the vocational school committee through an open and transparent process.

I urge the City Councilors to vote against this appointment and instead initiate a public posting so that all residents have the opportunity to contribute to the continued success of our great City of Malden.

Sincerely,
Abeer Annab
