Subject: Support in Favor of Paper 432-25 /Appointment of Jeff Donahue

Dear Members of the Council,

I am writing to express my strong support for Mayor Gary Christenson's recommendation to appoint Jeffrey Donahue to the vacant seat on the Northeast Metropolitan Regional Vocational School .

Mr. Donahue is a lifelong Malden resident and a former Ward 4 City Councillor whose long-standing service reflects a deep commitment to the community. As someone with a leadership role in the trades profession, Jeff has a deep understanding of how important the trades are and the knowledge to fight for what is best for the kids of Malden.

During his recent candidacy for the Malden School Committee, Jeff consistently emphasized the importance of the trades. As the Voke prepares to open a new facility and expand enrollment, it is critical that Malden's representative possess both practical expertise and an understanding of the challenges and opportunities ahead.

Jeff's professional background, public service experience, and his proven commitment to fight for vocational education makes him an ideal candidate for his role. I respectfully urge the Council to support his appointment.

Thank you for your consideration.

Sincerely,
Katie Bowdridge
