Subject: 11/18/25 Council Meeting Agenda. Letter to be read for record.

Dear Clerk and City Council,

I am writing to voice my strong opposition to:
434-25
435-25
436-25
437-25
438-25

The mayors office, fiancé committee, and council as a whole has done nothing to cut back on expenses nor shown any good faith attempt to do so. However, they expect property owners to assume a tax increase to supplement their short comings and unreasonable wish list.

Additionally, trying to push these items through last minute and holding a special election in February is irresponsible and wreck-less with no regard for the constituents of Malden. Especially for those who will have to assume the burden.

Therefore, I urge the council to strongly vote no for a special election for an override and all other items attached to it until other alternatives and solutions are explored. Many of us have had to make our own personal cutbacks to make ends meet. The city has an obligation to do the same. I would also like to know what the cost would be to hold a special election in February. Thank you.

Sincerely,

Janice Rice
