Dear Malden City Council,

I am writing to enthusiastically recommend Jeffrey Donahue for the temporary position on the Northeast Metropolitan Regional Vocational School Committee. I have had the pleasure of knowing Jeff for years, and know that he would be a huge asset to this position. His ability to analyze complex issues and inspire others will prove to be invaluable to his fellow committee members.

Beyond Jeff's professional accomplishments, he is a highly ethical and principled individual. He is committed to transparency, accountability, and the highest standards of governance. His strong character and integrity would make him an exemplary representative of the VOKE organization.

I am confident that Jeff has the necessary skills, experience, and personal qualities to make a significant contribution to the committee.

Thank you for your consideration.
