[211-19](#) Order: Be it hereby ordained that Section 9.36 (*Storage Containers*) of the Revised Ordinances of 1991as amended, be hereby further amended by striking portions and inserting language to Section 9.36. (Per attached document).

The paper was introduced by Councilor Spadafora who then introduced Nelson Miller building Commissioner. After some discussion he explained that there are in excess of 165 storage containers through out the city.

A couple of trouble spots are Franklin Street and Ferry street; and that this ordinance would give the city some over sight as we do not know what is in the containers. The containers currently in use will not be grand fathered in. A motion was made by Councilor Crowe seconded by Councillor Condon to approve as amended; the motion carried by a unanimous vote.
