The Committee will begin a detailed conversation on Paper 72-26 to explore the substance, scope, and potential procedural and legal impacts the order may have on the city's residents and staff. Consideration will be given to how implementation of the order may affect ongoing relationships city departments currently share with the various branches of the Federal government.

Order: That, as a diverse and immigrant-rich community, the limited resources of the City of Malden shall be fully dedicated to address the local needs and priorities of Malden's residents, businesses and visitors. The goal of this order is to provide for a safe, livable and welcoming community for all. No city employees, departments, appointees, processes or representatives shall assist in fulfilling the unique and separate responsibilities of the Federal government, including immigration enforcement, or cooperate with any Federal agencies or policies contrary to the stated goal of this Order. This Order shall be followed to the maximum extent permitted by law, provided that it shall not require the City to break pre-existing contracts or agreements with Federal entities.
