Dear City Clerk Desiderio & Malden City Council,  
I wanted to go on record that I fully support Barbara Murphy being appointed as Police Commissioner for the city of Malden. I believe her prior role as city councilor and her ability to perform in an administrative capacity will serve this position well. Her involvement in her community speaks for itself and her relationship building skills will bring positive results.  
Sincerely,  
Jackie Bouley  
173 Beltran St.
