Hi,

I'm writing in to ask that the vote on the appointment of Police Commissioner be postponed and the process started again from square one to follow City ordinances, is able to be reviewed by our Personnel Appointments Committee, and doesn't undermine the power of our City Council, which represents us all. I'm disappointed in the Mayor as well as Ms. Murphy, both long time city leaders who should know better. The way the Mayor handled the appointment reeks of corruption and tries to bypass transparency. Ms. Murphy may very well be found to be the best fit for the position, but let's follow proper protocol to arrive at that decision.
