Subject: Bike/bus lanes

I am in support of getting rid of bus lanes and making changes to bike lanes on some roadways.

Not in favor of moving ahead with any future bike/bus projects until after a ballot vote.

Time to reevaluate the mess that the city has out there and listen to the people who live, own property and know this city. No grant is worth it if it doesn't work for the community. Time for those in office to do the people's bidding and not their own agenda.
