Petition of the Massachusetts Electric Company d/b/a NATIONAL GRID
Of NORTH ANDOVER, MASSACHUSETTS
For Electric Conduit Location:

To the City Council of Malden, Massachusetts

Respectfully represents the Massachusetts Electric Company d/b/a NATIONAL GRID of North Andover, Massachusetts, that it desires to construct a line of underground electric conduits, including the necessary sustaining and protecting fixtures, under and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it be granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as it may find necessary for the transmission of electricity, said underground conduits to be located substantially in accordance with the plan filed herewith marked – Pearl Street - Malden, Massachusetts.

The following are the streets and highways referred to:

WR# 31120327

Pearl Street - National Grid to install underground facilities on Pearl Street beginning at a point approximately 20 feet North of the centerline of the intersection of Medford Street Pearl Street and continuing approximately 205 feet in a South direction. National Grid to install 2-5" ducts from existing MH 605 South approximately 205' to a new riser pole on the East side of Pearl Street. Malden, MA.

Location approximately as shown on plan attached.

Dated: April 13, 2026

ORDERED:

Notice having been given and public hearing held, as provided by law, that the Massachusetts Electric Company d/b/a NATIONAL GRID be and it is hereby granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, and to make the necessary house connections along said extensions, as requested in petition with said company dated the 7th day of April, 2026.

Said underground electric conduits shall be located substantially in accordance with the plan filed herewith marked – Pearl Street - Malden, Massachusetts.

The following are the public ways or part of ways along which the underground electric conduits above referred to may be laid:

WR# 31120327

Pearl Street - National Grid to install underground facilities on Pearl Street beginning at a point approximately 20 feet North of the centerline of the intersection of Medford Street Pearl Street and continuing approximately 205 feet in a South direction. National Grid to install 2-5" ducts from existing MH 605 South approximately 205' to a new riser pole on the East side of Pearl Street. Malden, MA.

I hereby certify that the foregoing order was adopted at a meeting of the

.....

....., held on the day of, 20

.....,, 20

Received and entered in the records of location orders of the City/Town of

Book Page

Attest:

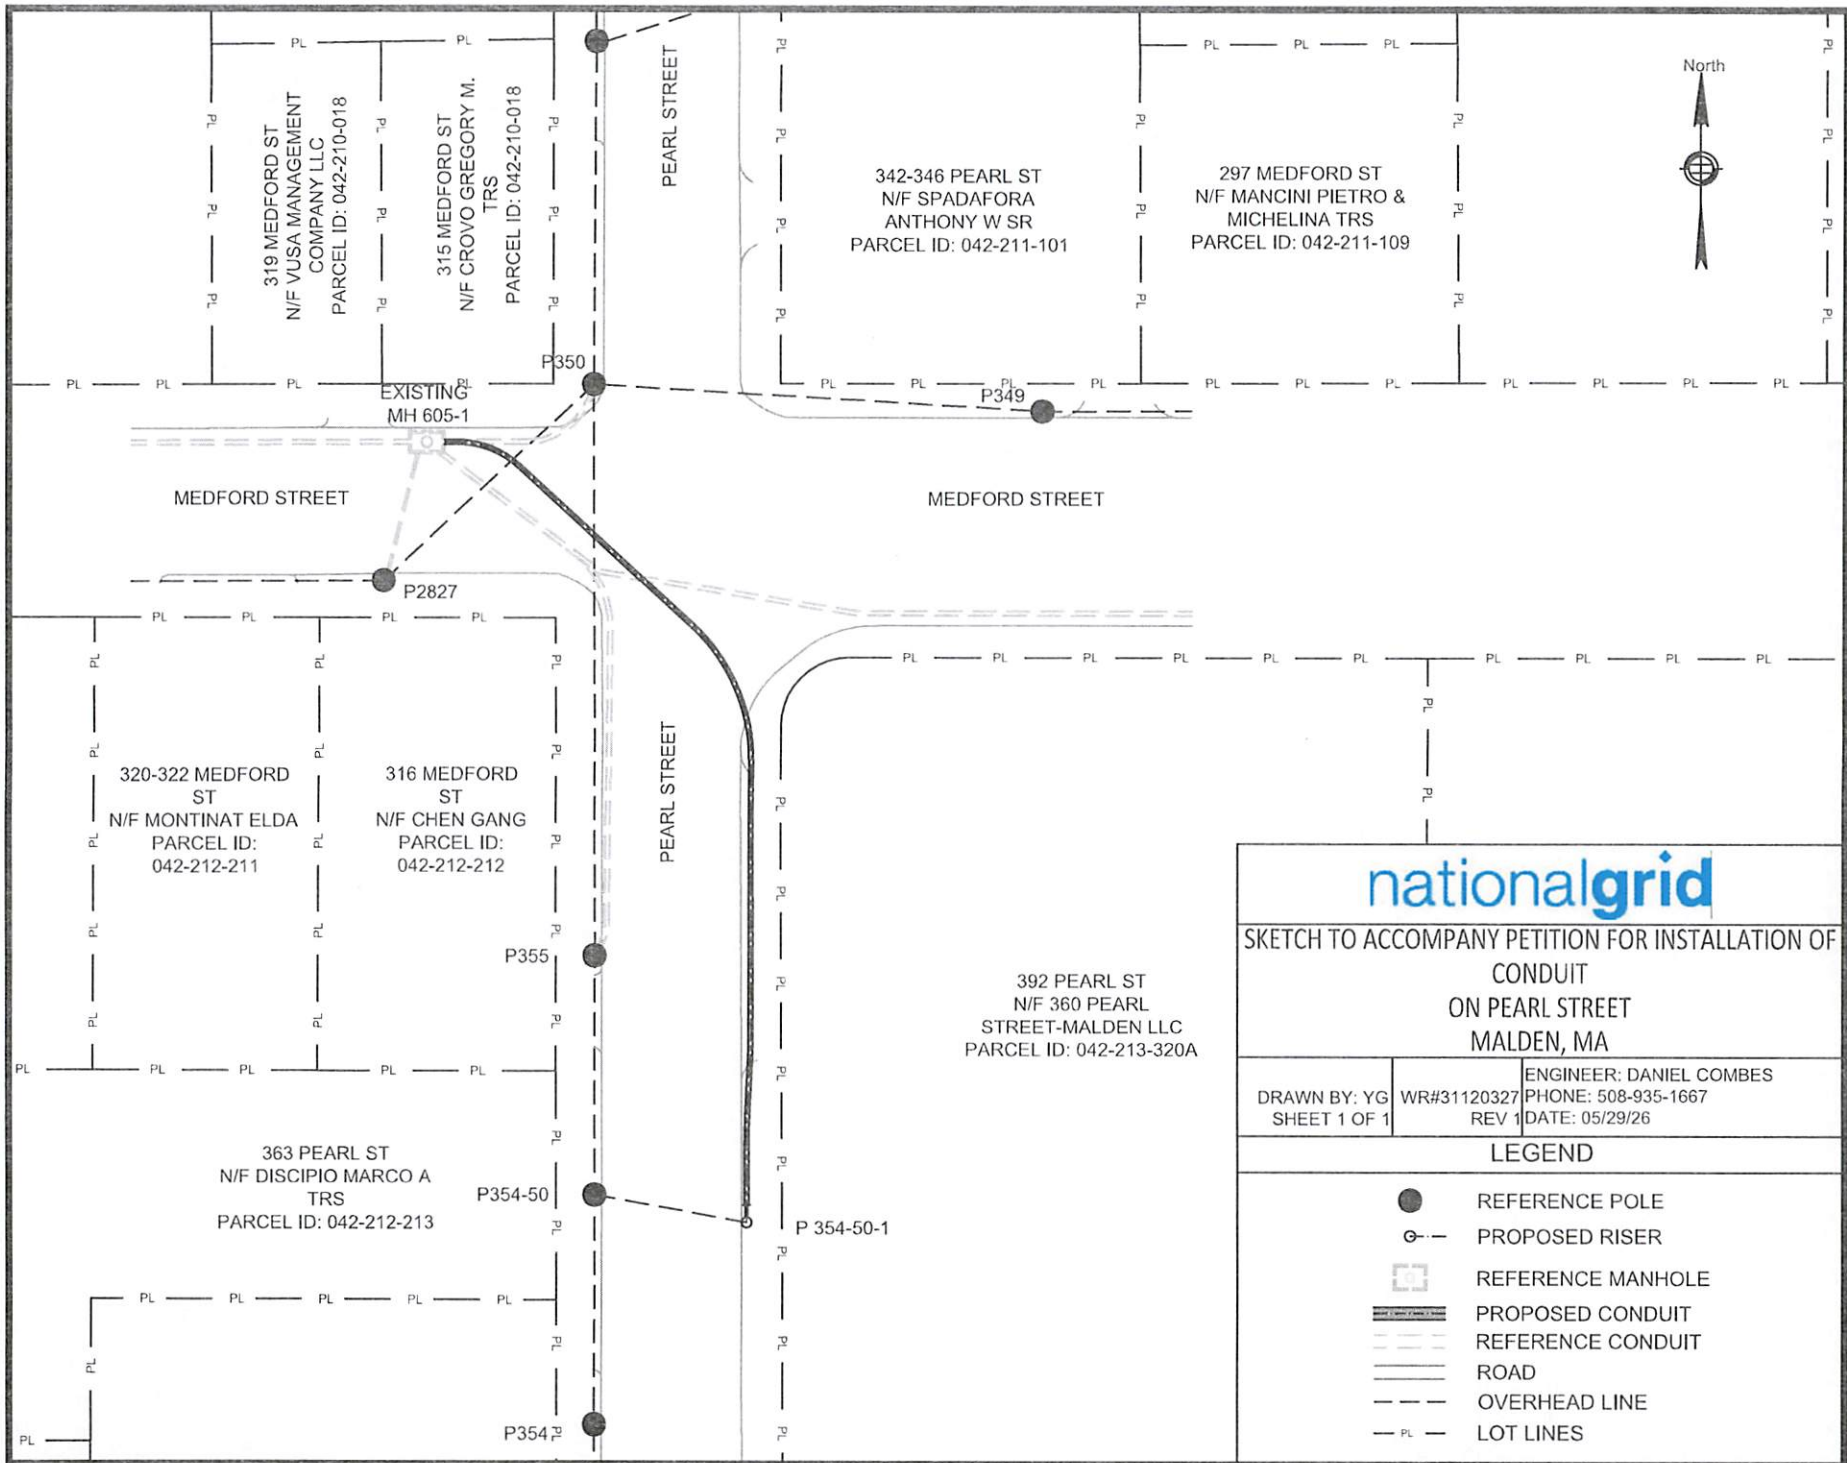

.....

..... hereby certify that on20..... at o'clock,M

at, a public hearing was held on the petition of Massachusetts Electric Company d/b/a NATIONAL GRID for permission to construct the

underground electric conduits described in the order herewith recorded, and that I mailed at least seven days before said hearing a written notice of the time and place of said hearing to each of the owners of real estate (as determined by the last preceding assessment for taxation) along the ways or parts of ways upon which the Company is permitted to construct the underground electric conduits under said order. And that thereupon said order was duly adopted.
