**Subject:** Maplewood Square Public Meeting Motion

Hi Greg,

I wanted to give you some context / background on my intended motion for tonight. After discussing with Council President Anderson, I will make this motion during personal privilege portion of the meeting.

Order: That the Citizen Engagement Committee of the City Council work with Councillor Camell to arrange for a public meeting in order to hear from our constituents about the future of Maplewood Square in light of recent news of Mystic Valley Charter School's purchase of significant property.

Councillor David Camell  
Malden City Council, Ward Six
