Malden, MA 02148

**Re: C.C.P. #470/2017- To Eliminate Rowe's Quarry Reclamation & Redevelopment District  
Amendment of §700.14, Ch.12, Rev. Ord. of 1991, as Amended**

Dear Councilors:

On December 13, 2017, the Planning Board and City Council Ordinance Committee jointly held a public hearing regarding the above-referenced proposed amendment.

As a result of the public hearing, a majority of the Planning Board, namely, eight of those nine members present, voted to recommend **disapproval of the amendment** and to make the following recommendation to the City Council:

***That a petition to amend the maximum heights of multifamily dwellings, hotels, general offices and medical centers in the Rowe's Quarry Reclamation & Redevelopment District filed and referred for joint public hearing.***

The minutes of the joint public hearing will be made available at your request. For your reference, attached please find the Planning Report & Recommendation dated December 13, 2017, which was presented at the hearing.

Finally, please be advised, that, if the City Council fails to act on the amendment within 90 days of the date the public hearing closed, a new duly advertised public hearing must be held. Accordingly, the final date for action is March 13, 2018.

I am available to discuss and answer any questions regarding the amendment and the Planning Board's recommendation. Please do not hesitate to contact me. Thank you.

Sincerely,

Michelle A. Romero  
City Planner
