I'm writing in on my support to approve order 412-24. There are \$5 million of taxpayer funds that need to be accounted for by our City Council. The CPC is making payments, including interest, on funds for a cancelled project. I urge the city council to send this order to the finance committee for further discussion and inquiry. The public would like to know the status of these funds and what is the plan for the park moving forward.

What is the status of these funds:

- Section 108 HUD Loan \$1.2M
- CPA Funds \$1.45M
- City Free Cash \$1.292M
- City Bond \$966K
