Hello

I would like to know what is going on with Roosevelt Park and what the status is on the funds below. It is critical that we address Roosevelt park with its environmental and health hazards for the city's residents. It is strange to see other fields in Malden being renovated with no progress with Roosevelt Park. What is the plan with the park moving forward?

- Section 108 HUD Loan \$1.2M
- CPA Funds \$1.45M
- City Free Cash \$1.292M
- City Bond \$966K

Please approve order #412-24 at tonight's council meeting in order to move forward with the park.

Thank you
Huy Nguyen
