Subject: Police Commissioner Statement for today's meeting
Date: Tuesday, July 23, 2024 2:58:07 PM

Greetings,

Regarding the currently vacant important position of Police Commissioner for the City of Malden, I request that the City Councilors consider the best candidate from a pool of candidates. The official hiring process exists for a reason, and it seems prudent and transparent to respect it in this, and most, cases.

Thank you for your attention.

Sincerely,

Lisa Sears
