Subject: Status of funds for Roosevelt / Salemwood. #412-24

I am a Ward 1 resident and I've been concerned about past proposals for artificial turf at Roosevelt Park / Salemwood School. My understanding is that the artificial turf is not going forward, but the status of funds set aside for this project is not clear. I understand that Ari Taylor is bringing forward #412-24 (<https://cityofmalden.legistar.com/LegislationDetail.aspx?ID=7012825&GUID=BF77511D-EE67-4289-A7D3-39749BAE0452>) to get clarity on this, and begin to move forward with the necessary remediation work (which should not involve covering the whole playground with plastic!). I hope this can move forward. Thank you for your work on this!
