Subject: Support for Malden City Council Ceasefire Resolution 271-24
Date: Friday, May 31, 2024 11:36:13 AM

Dear City Councillors and Mayor Christenson:

I'm writing to SUPPORT [Malden City Council Resolution 271-24](#) for an immediate and permanent ceasefire in Israel and Palestine, freeing of all hostages and detainees, and immediate resumption of humanitarian aid and rebuilding of civilian infrastructure in Gaza.

To bring home how critical this issue is and how it affects people in our community, yesterday I was speaking with a Lyft driver and I learned he was Palestinian, and I asked him if any of his family was affected by what's happening in Gaza. He told me that over 100 members of his extended family had already been killed. "We don't care anymore about our land, our homes, about a Palestinian state, Israel can take everything from us," he said. "We just want to stop being killed." This story is not unique.

Please take a stand and vote to support this resolution, and may our small voice here in Malden be added to many more to end the indiscriminate killing of men, women, and children that is being financed by our tax dollars.

Sincerely,

Danyal Najmi
