Descriptions of the Mildian Gip Connect,
> Call parts after some of the Mildian Gip Connect,
> I have accounted the things term to vote 'NO' on this, or any other, censefer resolution in the benefit limits war. There is no moral equivalence between a demonstrate union whose stated goal in the protection of its civilians and a terresist argustration whose stated goal in the estimation of level worldwise. Adapting for a consider that leaves Hisman in power, after they have promised to repeat the October 7 measure many times over, only accomplishes one thing it telds low that their live don't matter.

The Peletriains considers are targedy, and we want this war to and immediately. That can only happen with the immediate reduce of our hostages and teld surrender of Hisman. Many people fishedy on "genocide" and "war crimes", as if they are radiamitar with the horses of war, and what how worth readly means. > Please, don't give in to the propaganda and the bate. Stand with brack, America's ally, against the terrorist cognitation Harms, and refuse to be part of the movement that delegitimizes a nation's right to self-defense and rewards agents of terror. Vote NO on this, and all, ceasefire resolutions. > Thank you. > Tovah Ahdut > >> | The result has been accused for span and visuous by Produjonial Execution.
