Dear City Council,

I would like to know about what happened to the \$5 MILLION of Taxpayer Funds that appear to be un- Accounted for,publicly, by Our City Council.

I ask that you Please Remove and Remediate the Lead Contaminated Soil at Roosevelt/Salemwood School Park! Please approve order #412-24 at tonight's meeting.

The community deserves to know about the status of these funds below:

- Section 108 HUD Loan \$1.2M
- CPA Funds \$1.45M
- City Free Cash \$1.292M
- City Bond \$966K

What is the plan moving forward? Why is community engagement missing from this process?

Respectfully,

Erga Pierrette
