2024 Report of the Trustees

# Clerk's Certificate Pine Banks Park

A meeting of the Board of Trustees of Pine Banks Park was held at 11:00 A.M. on Tuesday, May 7, 2024, due notice of which was given to all members in advance thereof, at 350 Main Street, Malden, Massachusetts.

Present at the meeting were the following members:

C. Henry Kezer, of Melrose, Presiding, Hon Gary Christenson, Mayor of Malden, Hon Jennifer (Jen) Grigoraitis, Mayor of Melrose, Richard R. Burns, Jr. of Malden, Peter M. Carroll, of Malden, and Richard C. Rudolph, at large. John W. Lynch, of Melrose, was absent

A quorum was declared present and voting.

Section 6. of St. 1905, Chap. 393 states:

The board shall annually in the month of January make a full report to the cities of Malden and Melrose of its receipts and expenditures, with its estimate of the amount required for maintenance for the ensuing year.

Section 7. of St. 1905, Chap. 393 states:

The Cities of Malden and Melrose shall in their annual appropriation bills each appropriate and place at the disposal of said board one half of the amount determined by said board to be necessary for the maintenance of said property for that year, and set forth in its annual report as provided in section six.

Wherefore, the Annual Report of Pine Banks Park for January 2024, containing the Budget for the fiscal year 2025, and the report of the Superintendent of operations for Calendar 2023 was presented for the consideration of the board.

Upon motion duly made and seconded, it was unanimously:

VOTED: To adopt the report and budget, and submit the same to the Cities of Malden and Melrose for the purposes set forth in St. 1905, Chap. 393.

A true copy

C. Henry Kezer
C. Henry Kezer, Clerk

# Statutory Excerpt: St. 1905 Chapter 393; amended by St. 1906 Chapter 162 Section 6.

Said Board of trustees shall have the absolute control and management of the property, and shall have power to make rules and regulations regarding its use and management, in such manner as it shall deem best.

The board shall annually in the month of January make a full report to the cities of Malden and Melrose of its receipts and expenditures, with its estimate of the amount required for maintenance for the ensuing year. Its expenditures in any year shall not exceed the sum of the appropriations for that year and the income at the disposal of said trustees by reason of any gifts received under the authority of section two of this act.

## Section 7.

The cities of Malden and Melrose shall in their annual appropriation bills each appropriate and place at the disposal of said board one half of the amount determined by said board to be necessary for the maintenance of said property for that year, and set forth in its annual report as provided in section six.

If either of said cities shall in any year fail to make such appropriation, the said board shall upon the written request of said donors or their heirs or devisees who may then hold their estate, reconvey said property to said heirs or devisees free from all trusts:

but the amount required of each city by said board to work a forfeiture shall not in any year exceed one one hundred and fiftieth part of one per cent of the assessed valuation for the preceding year of the city having the smaller assessed valuation.

Said cities may, if in their judgment the proper maintenance or improvement of said property shall require it, appropriate in equal amounts and place at the disposal of said board sums in excess of the amount which said board is hereby authorized to require of said cities.

# ANNUAL REPORT OF PINE BANKS PARK

Fiscal Year 2024

July 1, 2023 through June 30, 2024

# **Board of Trustees**

C. Henry Kezer, President and Chairman, Melrose Richard R. Burns, Jr., Treasurer, Malden Peter M. Carroll, Malden John Lynch, Melrose Gary Christenson (Ex Officio), Mayor of Malden Jen Grigoraitis (Ex Officio), Mayor of Melrose Richard Rudolph (Provisional at-Large)

# Staff Members of Pine Banks Park

Position Vacant, Superintendent Russell P. Kezer, Skilled Laborer John Wright, Skilled Laborer Frank Celona, Mechanic/Skilled Laborer

# Report of the President.

It is with regrets that we must report the departure of our Superintendent, Kevin D. Benner during the year. In his absence, I herewith submit the following report for the year 2024.

The park's overall usage has been very busy due to increased demand and limited resources for organized programs:

- We provide picnic reservations for three picnic sites which are available from May 1<sup>st</sup> through October 31<sup>st</sup>, and are available to rent through the website for \$20 per hour, payable on line.
- Our sports fields are heavily used by both Malden and Melrose for high school and youth organizations, and remain the priority for scheduling.
- Remaining time is for reservation by private programs and other athletic user groups for a set fee which varies depending on light usage, also reserved and payable on line.

• The track and dog park continue to be very popular, as well as the hiking trails, which our staff tries to maintain regularly to keep a safe and consistent walking path.

The new maintenance building has made a large improvement in operations during inclement weather and the winter months. It allows our staff a refuge from the elements, and a place for maintenance and repair of equipment.

Our Superintendent Search Committee is made up of Polina Latta, Human Resources Director for the City of Melrose, Anthony R. Chiccuarelli, Director of Human Resources for the City of Malden, and Nicholas Caggiano, Director of Facilities for the State of New Hampshire, and past president of The New England Parks Association and the New England Sports Turf Management Association. Nick was the Superintendent of the Parks and Recreation Department as well as the Tree Warden for the City of Nashua, NH. He was responsible for over 1,500 acres of park land and over 60 parks and facilities including 2 sports stadiums and three municipal pools. Nick has a degree in Recreational Land Management from the State University of New York in Cobleskill, NY. He is also a great friend and resource for Pine Banks Park.

The Search Committee will be posting the job description for the position on both municipal sites, and with New England Parks and NESTMA. Interested candidates will then be interviewed by the Search Committee, and a group of promising candidates will be presented to the Trustees for interview and selection. This process has been successful in the past, allowing participation by both communities and the designation of well qualified and knowledgeable candidates. The Trustees wish to thank the members of the Search Committee for their invaluable assistance in this process.

Respectfully submitted C. Henry Kezer,

President

#### Scheduled Field Usage

The following is a list of participants using the sports fields on an annual basis:

#### Malden:

Varsity, JV & Freshman Baseball

Varsity & JV Soccer

Varsity, JV & Freshman Field Hockey

High School Cross Country

Girls' Varsity & JV Lacrosse

Boys' Varsity & JV Lacrosse

Malden Youth Soccer (with lights)

Malden Babe Ruth Baseball (with lights)

Malden Pop Warner Football

Malden Youth Softball

#### Melrose:

Varsity, JV & Freshman Baseball Boys' Varsity & JV Soccer High School Girls' Varsity & JV Soccer

High School Girls' Field Hockey

High School Girls' Varsity Softball

High School Girls' Lacrosse

High School Boys' Lacrosse

Babe Ruth Baseball (with lights)

Pop Warner Football practice (with lights)

Melrose Youth Soccer (with lights)

Melrose Youth Lacrosse

# Other Organizations:

- F. Malden YMCA Summer Program (a day camp)
- G. Malden YWCA 5K road race.
- H. Melrose Victorian Fair Road Race
- I. Fundraising event for the Jimmy Fund
- J. Learn to Cope Run and Walk Race
- K. Weekly AA Meetings
- L. Mystic River Rugby Club Youth Rugby Summer Camp June July

Mustics Youth Rughy Camp

EVENTS 2024 Fishing Derby May 22, 2023

# Green Malden Fair - April 15, 2023

4/21/2023 Eid Al-Fitr – the end of Ramadan Malden Islamic Center Eid Celebration

Bread of Life Walk in Memory of Tom Feagley Sunday, October 1, 2023

Fairy House Day August 26 2023

Santa's Workshop

# Pine Banks Park - Trustees' Notes 2024

#### Contributions.

In support of various projects, the trustees received the following contributions during the fiscal year:

- The Adelaide Breed Bayrd Foundation continued its grant of \$250,000 over five years. Total contributions from them now exceed \$1 million for park improvements.
- The Adelaide Breed Bayrd Foundation contributed \$25,000 for the purpose of acquiring miscellaneous equipment, improvements and other initiatives.
- The Adelaide Breed Bayrd Foundation contributed \$5,000 for the hiring of a student from Malden as an intern during the late Spring and Summer.
- The Piccolo Family Charitable Foundation contributed \$25,000 for the purpose of acquiring miscellaneous equipment, improvements and other initiatives.
- The Piccolo Family Charitable Foundation contributed \$5,000 for the hiring of a college student as an intern from the city of Melrose during the late Spring and Summer.

## Capital Projects - Adelaide Breed Bayrd Foundation Loan.

The Trustees have identified capital projects that require attention in the Park, and are in the process of pricing and requesting bids for those projects. To date those projects include:

- Resurfacing of the second baseball field (BB2) originally constructed in 2007;
- Reconstruction and renovation of the playground, originally constructed in 1994;
- Maintenance and repair of the track, originally constructed in 2013.
- Resurfacing of the Sylvan Street parking lot, originally constructed in 2013.
- Upgrade areas for better compliance and access under the Americans with Disabilities Act.

These items comprise a considerable outlay, and the pricing of each has risen considerably in recent years. While we are soliciting information on the design and pricing of each component, we have been pursuing sources of financing that would permit flexibility in the designation and execution of these transactions without delaying to a subsequent budgetary cycle.

The Adelaide Breed Bayrd Foundation (ABBF) has previously advanced a loan for \$800,000 towards the completion of the Converse Field House. ABBF has agreed to advance \$1.25 million to fund these improvements over ten years at 4.25% per annum. This will be funded as projects are identified and work performed, with interest accruing only on amounts advanced during the first year of the term. Payments on this loan facility have been included in the FY 2025 budget included in this report.

ABBF is a local Foundation, the Trustees of which all grew up in Malden and Melrose, and all of whom spent many days at Pine Banks Park. It is gratifying to them that a portion of their portfolio of fixed income instruments can be dedicated to the improvements at Pine Banks Park with demonstrable local effect.

## Pine Banks Park - Budget Summary - Fiscal 2025 Line-Item Notes.

Pine Banks Park organizes its funding into three parts:

<u>Part I Income</u> - Compensation and Benefits. Lines 1 – 5 page 5.

The Park 'Leases' its employees from the City of Melrose. All compensation and benefits are administered through the Human Resources Department of the City of Melrose, and the entire scope of the costs are shown on the Park Budget. The City of Malden advances to the City of Melrose one half of the amounts required quarterly as shown on page 6. We include all costs related to benefits, health insurance and retirement to be sure that the amounts are shared equally. The process was put into place in November 2012, and has been working extremely well, with thanks to the Human Resources Department of Malden and Melrose. Detail information is shown on the Compensation & Benefits Summary on page 6. Total compensation is showing a 3.86% increase.

Part II Income – Operations - Budget Summary Lines 6 - 42. & 61 – 69.

These expenditures are made through a segregated central operating account at the Park, funded by monthly disbursements from each city. This has allowed a more accurate and timely control over expenses, which previously were made by each city on a per-expenditure basis. It also provides a more accurate basis for budgeting. The process has indicated areas to focus for more effective application of resources. These figures show an increase on line 69 of \$24,229.30 due to increased overhead in the operation of the new building, including heat, burglar alarm & internet. The figures in the red box represent funds advanced from each city during the year.

Part III Income - Equipment and Capital Purchases Lines 44 - 57.

Capital expenses and acquisitions are shown on lines 44 - 57. These items are allocated and billed to each city as they are incurred during the year. Line 45 is the continuing amortization payment for the field improvements, and line 46 is for the supplemental funding of the Field Utility Building. Line 53 is for debt service on the new ABBF Loan of \$1.25 million.

#### Conclusion.

The Summary of expenditures is on lines 58 through 72. The Statutory Mandate is shown on line 73, and due to growth in assessed values has grown \$75,433.99 this year to \$971,292.48. The proposed budget is \$1,164,575.17 and exceeds the mandate by \$193,282.68, attributable largely to capital improvements. The amount exceeding the Statutory Mandate decreased \$55,526.27 this year.

The Trustees wish to express their appreciation to the citizens of Malden and Melrose for making this project possible. Those contributions together with the private grants that we continue to receive have permitted the Park to greatly improve its services for the citizens of both communities.

Respectfully submitted,

C. Henry Kezer, President & Chairman.
