Hello,

I'm emailing with my full, whole-hearted support for Resolution 271-24, the Ceasefire Resolution.

The *very least* that our city government can do is to immediately pass a ceasefire resolution calling for (1) an immediate and permanent ceasefire in Gaza and (2) the release of all hostages, detainees, and political prisoners. This resolution will not only materially show Malden's Palestinian and Jewish residents, our neighbors, that we want an end to the horrific genocide in Gaza, it will also put more pressure on our federal representatives in Congress to stop voting to send weapons to the Israeli military, and to pressure the Biden Administration to sanction Israel and call for a permanent and immediate ceasefire.

Thank you for standing with your constituents against genocide!
