Petition: Class II: Sega Auto Sales & Service, 451 Ferry Street, Malden, 10 cars (Renewal)

Chair Sica opened the discussion with Sega Auto Sales & Service by stating the updated plot plan received by Nelson Miller showed nineteen vehicles being stored on two parcels of land at 451 and 455 Ferry Street. In addition the plot didn't show a designated area for snow storage. Class II licenses are not allowed to operate on two different plots of land at the same time.

With all this in mind, Chair Sica concluded by offering Sega Auto Sales & Service temporary license at only 451 Ferry Street for ten vehicles while the Committee works with the business to figure out how to move forward with the secondary plot of land.

Gilson Queiroga, owner of Sega Auto Sales & Service, asked if the license could be for fifteen vehicles, like he's had in the past.

Chair Sica stated that wouldn't be possible at 451 Ferry Street due to the lack of space according to the new plot plan and the only option right now would be a license for ten vehicles. She went on to explain the Committee would meet over the several weeks to discuss the possibility and/or ability of issuing a license for the parcel of land at 455 Ferry Street.

Mr. Queiroga agreed that would be doable.

A motion was made by Councillor Condon, seconded by Councillor Taylor, that the Petition be recommended favorably to the City Council. The motion carried by a unanimous vote.
