Karen..

Here's an alternative proposal I plan to hand-out at tomorrow's meeting.. I have not shared this any fellow councillor or member of the Community. Let's talk later sometime this afternoon..

Steve

*The Malden City Council supports UN Security Council Resolution 2735 adopted June 10, 2024 and further instructs our Federal Representatives to take non-military actions to help ensure its expeditious implementation.*

*Text of UN Resolution 2735;*

*The Security Council,*

*Reaffirming the purposes and principles of the Charter of the United Nations,*

*Recalling all of its relevant resolutions on the situation in the Middle East, including the Palestinian question,*

*Underscoring the importance of the ongoing diplomatic efforts by Egypt, Qatar, and the United States aimed at reaching a comprehensive ceasefire deal, consisting of three phases,*

*1. Welcomes the new ceasefire proposal announced on May 31, which Israel accepted, calls upon Hamas to also accept it, and urges both parties to fully implement its terms without delay and without condition;*

*2. Notes that the implementation of this proposal would enable the following outcomes to spread over three phases:*

*(a) Phase 1: an immediate, full, and complete ceasefire with the release of hostages including women, the elderly and the wounded, the return of the remains of some hostages who have been killed, the exchange of Palestinian prisoners, withdrawal of Israeli forces from the populated areas in Gaza, the return of Palestinian civilians to their homes and neighborhoods in all areas of Gaza, including in the north, as well as the safe and effective distribution of humanitarian assistance at scale throughout the Gaza Strip to all Palestinian civilians who need it, including housing units delivered by the international community;*

*(b) Phase 2: upon agreement of the parties, a permanent end to hostilities, in exchange for the release of all other hostages still in Gaza, and a full withdrawal of Israeli forces from Gaza; and*

*(c) Phase 3: the start of a major multi-year reconstruction plan for Gaza and the return of the remains of any deceased hostages still in Gaza to their families;*

*3. Underlines that the proposal says if the negotiations take longer than six weeks for phase one, the ceasefire will still continue as long as negotiations continue, and welcomes the readiness of the United States, Egypt, and Qatar to work to ensure negotiations keep going until all the agreements are reached and phase two is able to begin;*

*4. Stresses the importance of the parties adhering to the terms of this proposal once agreed and calls upon all Member States and the United Nations to support its implementation;*

*5. Rejects any attempt at demographic or territorial change in the Gaza Strip, including any actions that reduce the territory of Gaza;*

*6. Reiterates its unwavering commitment to the vision of the two-State solution where two democratic States, Israel and Palestine, live side by side in peace within secure and recognized borders, consistent with international law and relevant UN resolutions, and in this regard stresses the importance of unifying the Gaza Strip with the West Bank under the Palestinian Authority;*

*7. Decides to remain seized of the matter.*
