Subject: Please keep our Roosevelt Park natural grass!
Date: Monday, March 27, 2023 4:44:22 AM

Please to whom it may concern.

This is wrong!

This decision to turf Roosevelt will have effects on our children's health!

The young ones especially who attend Salemwood School and so much enjoy their play time outside on living grass!!!

Let's face it...we understand the difference!!

Artificial vs breathable, living grass!!

Why are you ignoring climate for my community?

You understand that the heat index will be greatly exacerbated!! Flooding will erode the landscape over time!!!

The birds and nature will be gone! It will be a lifeless dead zone! WHY??

I resent the loss of life giving green natural grass and I am vehemently opposed!!!
