Petition of the Massachusetts Electric Company d/b/a NATIONAL GRID
Of NORTH ANDOVER, MASSACHUSETTS
For Electric Conduit Location:

To the City Council of Malden, Massachusetts

Respectfully represents the Massachusetts Electric Company d/b/a NATIONAL GRID of North Andover, Massachusetts, that it desires to construct a line of underground electric conduits, including the necessary sustaining and protecting fixtures, under and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it be granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as it may find necessary for the transmission of electricity, said underground conduits to be located substantially in accordance with the plan filed herewith marked – Medford and Pearl Street - Malden, Massachusetts.

The following are the streets and highways referred to:

WR# 30926772

Medford & Peral Street - National Grid to install underground facilities on Medford & Pearl Street beginning at a point approximately 60 feet Northwest of the centerline of the intersection of Medford Street and Pearl Street and continuing approximately 150 feet in a South-East direction. National Grid is petitioning to install (2) - 5" conduits through the intersection of Pearl and Medford Street starting at manhole 605 and continuing approximately 150 feet to pole 355. Malden, MA.

Location approximately as shown on plan attached.

Dated: April 30, 2025

ORDERED:

Notice having been given and public hearing held, as provided by law, that the Massachusetts Electric Company d/b/a NATIONAL GRID be and it is hereby granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, and to make the necessary house connections along said extensions, as requested in petition with said company dated the 23rd day of April, 2025.

Said underground electric conduits shall be located substantially in accordance with the plan filed herewith marked – Medford and Pearl Street - Malden, Massachusetts.

The following are the public ways or part of ways along which the underground electric conduits above referred to may be laid:

WR# 30926772

Medford & Peral Street - National Grid to install underground facilities on Medford & Pearl Street beginning at a point approximately 60 feet Northwest of the centerline of the intersection of Medford Street and Pearl Street and continuing approximately 150 feet in a South-East direction. National Grid is petitioning to install (2) - 5" conduits through the intersection of Pearl and Medford Street starting at manhole 605 and continuing approximately 150 feet to pole 355. Malden, MA.

I hereby certify that the foregoing order was adopted at a meeting of the
