Petition of the Massachusetts Electric Company d/b/a National Grid  
Of NORTH ANDOVER, MASSACHUSETTS  
For Electric conduit Location:

To City Council of Malden, Massachusetts

Respectfully represents the Massachusetts Electric Company d/b/a National Grid of North Andover, Massachusetts, that it desires to construct a line of underground electric conduits, including the necessary sustaining and protecting fixtures, under and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it be granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as it may find necessary for the transmission of electricity, said underground conduits to be located substantially in accordance with the plan filed herewith marked: Salem St - Malden - Massachusetts.

The following are the streets and highways referred to:

Plan # 30713383 Salem St - National Grid to install beginning at a point approximately 15 feet south of the centerline of the intersection of Holden St and continuing approximately 70 feet in a north direction. National Grid is installing conduit across Salem St from MH20 to new HDHH on 90/92 Salem St. New conduit to be run parallel to existing conduit.

Location approximately as shown on plan attached

Massachusetts Electric Company d/b/a National Grid

BY Bob Coulter

Engineering Department

Dated: June 23, 2023

ORDERED:

Notice having been given and public hearing held, as provided by law, that the Massachusetts Electric Company d/b/a National Grid be and it is hereby granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, and to make the necessary house connections along said extensions, as requested in petition with said company dated the 23rd day of June, 2023.

Said underground electric conduits shall be located substantially in accordance with the plan filed herewith marked – Salem St - Malden - Massachusetts. WR # 30713383.

The following are the public ways or part of ways along which the underground electric conduits above referred to may be laid:

Salem St - National Grid to install beginning at a point approximately 15 feet south of the centerline of the intersection of Holden St and continuing approximately 70 feet in a north direction. National Grid is installing conduit across Salem St from MH20 to new HDHH on 90/92 Salem St. New conduit to be run parallel to existing conduit.
