RE: Boston Gas d/b/a National Grid

Boston Gas d/b/a National Grid requests consent for the locations of mains for the transmission and distribution of gas in and under the following public streets, lanes, highways, and places of the City of Malden for the pipes, valves, governors, manholes and other structures, fixtures and appurtenances designed or intended to protect or operate said mains and accomplish the objects of said Company, and the digging up and opening the ground to lay or place same:

To install and maintain a brand new 6-inch prefabricated district regulator station with approximately 100 ft. of 8-inch inlet gas main and approximately 80 feet of 12-inch outlet gas main in Charles Street, (abutting Stop and Shop) near the intersection of Canal Street. In addition to the station a stainless-steel control box and three vent poles shall also be installed.

In accordance with the requirements of Chapter 166 of the General Laws, you are hereby notified that a PUBLIC HEARING will be held on **June 30th at 7:00 PM** on said petition. The hearing will be held remotely (information below):

In accordance with Governor Baker's 3/12/20 Order Suspending Certain Provisions of the Open Meeting Law, G.L.c.30A,ss18, and the Governor's 3/23/20 Revised Guidance on Order by the Governor Prohibiting Assemblage of More than Ten People, this meeting will be conducted via remote participation.

In person attendance by members of the public is prohibited, and all effort will be made to permit public attendance of this meeting, in the manner specified below, via remote access by internet, telephone, and if available via public broadcast of the meeting by Malden Access Cable Television on public access television channels.
