Malden, MA 02148

Dear Ms. DeMaria:

This letter is to inform the Malden City Council that the Malden Retirement Board on April 18, 2018 unanimously voted to approve a local Retirement Board option for Ordinary Disability within the guidelines of M.G.L. c 32 § 6(1). This option allows for a permanently disabled member in service to retire after completing ten or more years of creditable service.

It would be appreciated if the Malden City Council will approve this local option at the next council meeting.

Sincerely,

Warren Atkinson, Jr.
Chairman-Malden Retirement Board
