Subject: City Council meeting on 1/26/2023: Public comment for File # 13-25
Date: Tuesday, January 24, 2023, 12:46:28 PM

Dear City Clerk,

Please submit my public comment into the record at City Council meeting on January 26, 2023 in reference to File # 13-25.

Sincerely,
Tim Lam

Dear City Council,

Please consider amending Malden's current zoning legislation relevant to Accessory Dwelling Units (ADUs) in order for ADUs to be easier to build in the city. The current zoning laws that restrict ADUs are currently set up in an unreasonable manner, so that to complying with them 100% is not really possible. This would help address Malden's housing needs.

Sincerely,
Tim Lam
