Hi Councillor O'Malley,

I spoke to Councillor Spadafora as well on this same point after the meeting. See below for the language I sent him and Clerk Lucey last week. Bold, underlined and highlighted are the changes.

For at least one of the licenses, preference shall be given to an applicant where at least 51% of the business is owned by a resident of Malden, who has been a resident for each of the past five years, OR to an applicant who would qualify for the Cannabis Control Commission Economic Empowerment Priority Review or the Social Equity Program OR a minority owned business as designated by the Commonwealth of Massachusetts.

Best,  
Jenelle
