Petition: Massachusetts Electric d/b/a National Grid, 1101 Turnpike Street, North Andover, MA that it desires to construct a line of underground electric conduits, including the necessary sustaining and protecting fixtures, under and across the public way or ways hereinafter named. Permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as it may find necessary for the transmission of electricity,

said underground conduits to be located substantially in accordance with the plan filed herewith marked:

- *108 Charles Street*
OH - Install an inline pole in front of 124 Charles Street
UG - Dig across street from newly proposed pole to Ngrid
Gas regulator pit. Install 1-3" conduit for underground siphon.
- *105 Mountain Avenue* - Open approximately 10 ft. of sidewalk to install conduit from existing pole to property (#105) This is for an EV charging station.
- *120 Converse Avenue* - Relocate an existing pole per customer's request. Customer states pole is too close to her driveway. Request to move to property line.
