File #: 145-22 **Version:** 1 **Name:**

Type: Committee Report **Status:** Agenda Ready

File created: 3/22/2022 **In control:** Public Property Committee

On agenda: 3/15/2022 **Final action:**

Title: Committee Report: Public Property - Order: In compliance with the Court's Order by Justice Camille Sarrouf of February 7, 2022; this order of the City Council, will be referred to the Public Property Committee for the review of 5G Antenna on Utility Pole 2452, adjacent to 37-39 Willard Street, Malden, MA; associated with (Paper 581-21) as amended: to receive and discuss an opinion from the City Solicitor's Office setting forth whether Verizon's application for a small cell tower on pole located near 37-39 Willard St substantially meets the technical requirements of the City small cell ordinance. To receive public comment on whether the application substantially meets the technical requirements of the City small cell ordinance or was otherwise not issued lawfully. To receive and discuss information by an independent peer reviewer with expertise in preparing radiation reports to FCC standards. For the City to review the opinion and public comment and make one of the following determinations: that the application did not substantially meet the technical requirements of the City's small cell ordinance and therefore was issued in error or that the application substantially meet the technical requirements of the City's small cell ordinance and therefore was issued in error.
