Petition of the Massachusetts Electric Company d/b/a NATIONAL GRID  
Of NORTH ANDOVER, MASSACHUSETTS  
For Electric Conduit Location:

To the City Council of Malden, Massachusetts

Respectfully represents the Massachusetts Electric Company d/b/a NATIONAL GRID of North Andover, Massachusetts, that it desires to construct a line of underground electric conduits, including the necessary sustaining and protecting fixtures, under and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it be granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as it may find necessary for the transmission of electricity, said underground conduits to be located substantially in accordance with the plan filed herewith marked – Summer Street - Malden, Massachusetts.

The following are the streets and highways referred to:

**WR# 31258005**

Summer Street - National Grid to install underground facilities on Summer Street beginning at a point approximately 115 feet North of the centerline of the intersection of Clifton Street and Summer Street and continuing approximately 40 feet in an East direction. National Grid is petitioning to install underground secondary from a riser on pole #949 to a gas regulator control. The proposed installation will cross Summer St in Malden and will be located approximately 115 feet North of the intersection of Clifton St and Summer St. Malden, MA.

Location approximately as shown on plan attached.
