February 24, 2026

Dear City Clerk and Council President,

Please accept this as my Public Comment on docket #123-26:

Mayoral Reappointment: Yem Lip of 28 Constitution Road, Boston, as City Engineer/Director of the Engineering Department, said term to commence upon confirmation by the City Council and expire on March 1, 2029.

Please read my comment into the record at the City Council meeting scheduled for 2/24/26.

Dear City Council Members,

Prior to voting to confirm the Mayoral reappointment proposed by docket #123-26 for the City Engineer/Director of the Engineering Department, please review each and every relevant document in the matter of Superior Court Case "2181CV01248 Tufts, Peter et al vs. City Of Malden et al", including:

1. All Depositions given under oath
2. All Court Testimony given under oath
3. Serious OSHA violations for City of Malden excavation projects in the last six years (see <https://www.osha.gov/>)
4. A video transcript of the January 27th City Council meeting and all remarks related to #54-26 and a \$300,000 appropriation from available water sewer enterprise fund retained earnings to fund a legal settlement between the City of Malden and Tufts Construction Inc.

I further ask that you include copies of the Depositions and Court Testimony with the Mayor's reappointment letter as attachments on the Legistar record of this meeting.

Thank you.

Sincerely,
Brian DeLacey
